### Part XI of the Planning and Development Act 2000 (as amended)

#### Part 8, Article 81 of the Planning and Development Regulations 2001 (as amended)

Louth County Council hereby gives notice of its intention to carry out development works at Baltray Road, Termonfeckin, Co. Louth. The proposed works involve the construction of a new playground facility consisting of the following:

- Installation of children's play equipment, perimeter fencing, safety surfacing.
- Provision of footpaths, kerbing, landscaping and 1 no accessible car parking space.
- All associated and ancillary site works

In accordance with Article 81 of the Planning and Development Regulations 2001 as amended, Louth County Council has concluded from a preliminary examination pursuant to the provisions of article 120(1)(b)(i) of the Planning and Development Regulations 2001 as amended that there is no real likelihood of significant effects on the environment arising from the proposed development and that an Environmental Impact Assessment is not required.

**Residents protest against proposed apartments at Termon Abbey**

[\(/news/residents-protest-against-proposed-apartments-at-termon-abbey\)](#)

12th September 2023

Where any person considers that the proposed development would be likely to have significant effects on the environment, he or she may, at any time, before the expiration of 4 weeks beginning on the date of publication of this notice, apply in accordance with the provisions of article 120 of the Planning and Development Regulations 2001 as amended to An Bord Pleanála for a screening determination as to whether the development would be likely to have such effects.

In accordance with the provisions of article 250 of the Planning and Development Regulations 2001 as amended, Louth County Council has carried out an Appropriate Assessment screening of the proposed development to assess, in views of best scientific knowledge, if the development, individually or in combination with other plans or projects, would be likely to have a significant effect on a European site. Accordingly, Louth County Council has determined that the proposed development would not be likely to have a significant effect on a European site.
