Subject: RE: Coastal Protection Minor Works Programme - Funding Application - Ballagan, Greenore, County Louth

Dear James,

Thank you very much for your email. It is great to know that a funding application has been submitted. I will certainly bring this to the Senator's attention.

It would be great if you could update us once more information relating to the progress of the Funding Application is known.

Thank you for your time. It is greatly appreciated.

Stay safe.

Lillian O'Reilly,
Secretarial Assistant to Senator Erin McGreehan.

*With Best Wishes
Erin*

Subject: Coastal Protection Minor Works Programme - Funding Application - Ballagan, Greenore, County Louth

Dear Senator McGreehan,

I understand you recently made enquires relating to the erosion risk to the Local Secondary Road LS 7066- Ballagan, Greenore to Louth County Council Operations and Flood Relief Section.

Further to this, I can inform you that a funding application has now been submitted to OPW for Coastal Protection Works to the public road. There may be a significant delay in receiving a funding decision, and, if successful, achieving Consents, Contractor Procurement and commencement of Works.

I will be happy to update you once more information relating to the progress of the Funding Application is known.

Regards,

James
