Re: Withdrawal of MAC application reference number MAC20230019

Dear Applicant,

I refer to the above Maritime Area Consent (MAC) application received by the Maritime Area Regulatory Authority (MARA) on 26 February 2024 and supplementary information, including the revised Site Layout drawing no. CE-2024-01 as submitted on 19 July 2024, and the notice of the withdrawal of your application on 26 August 2024.

Having reviewed the updated information and drawing for the revised coastal erosion protection works at Drumullagh, MARA is satisfied that none of the permanent or temporary works will be carried out in the Maritime Area and concludes that there is no longer a requirement for a MAC in this instance.

MARA has accordingly recorded your MAC application no. MAC20230019 as withdrawn.

Please direct your response and any queries to mac@mara.gov.ie.

Yours faithfully,

John Kennedy
